

THE DENTAL FOUNDATION OF OREGON

Help give Oregon's children something to smile about.

Join DFO's **Give a Grin** Campaign Today!

What is it?

Give a Grin, an annual fundraising program for The Dental Foundation of Oregon (DFO), is a simple, efficient and effective way for you and your business to help end premature tooth decay and give Oregon's children a new beginning. You can make a difference without leaving your workplace.

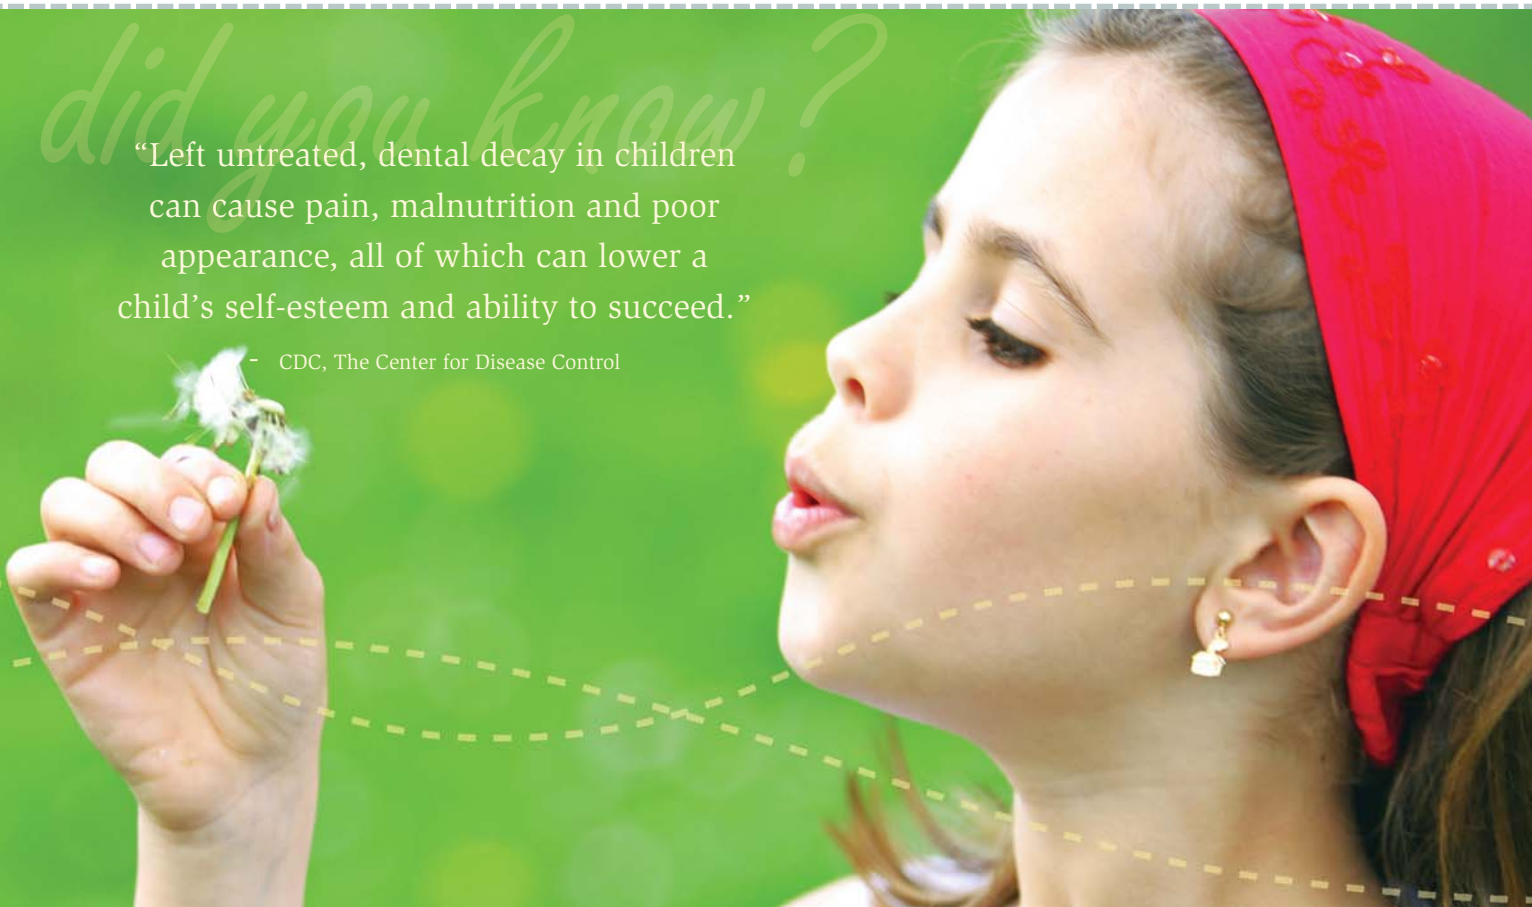

How does it work?

To participate, simply pick a day to **Give a Grin**. Donate proceeds from the work day to The Dental Foundation of Oregon. You will receive a receipt for your tax-deductible donation. Enjoy the feeling of making a real and measurable difference in the lives of Oregon children in need.

did you know?

"Left untreated, dental decay in children can cause pain, malnutrition and poor appearance, all of which can lower a child's self-esteem and ability to succeed."

- CDC, The Center for Disease Control

Who can participate?

Whether you are a dentist or a dietician, accountant or architect, skilled trade worker or social worker, all Oregonians — regardless of profession — are invited to participate in **Give a Grin**. If you are a dentist and your office chooses to participate, inform your patients that your fee for their dental treatment will be donated to The Dental Foundation of Oregon to aid in our mission: improving oral health for Oregon's children.

Where do I sign up?

Call The Dental Foundation of Oregon at 503.594.0880 and Judy or Karleanne will happily sign you up. Or you can simply fill out the enclosed pledge card and drop it in the mail, or fax it to us at 503.218.2004.
